Artist's Book Workshop

The theme of the Artist's Book Workshop will be : "Errore" or "Sbaglio". Students will think about the meaning of "error" or "mistake", but not computer error or internet error. Students will talk about mistakes in one's life, mistake in text, mistake in art, in design, in food, in science and etc. Each student will decide which "mistake" he / she wants to create in the artist's book (2 pages for each student). It would be perfect, if all "mistakes" were different.

As there won't be time to create an own artist's book, it will be created one artist's book all together.
