CHANGING STUDY PROGRAM

Students can transfer from one Program to another of the same level by submitting their application to the Director of RUFA not later than the 30th of September 2021.

Transferring from one Program to another can only be done horizontally. Credits already acquired are only recognised for the new Program if they are envisioned in it. The student is obliged to pass all of the basic and distinctive educational activities for the full duration of the new Program. In particular cases, the regulations for individual Programs may require the transferring student to pass an admission test (and will specifically regulate any amendments to this present article). No transfer is permitted during the academic year.

TRANSFERS

TRANSFERS TO OTHER EDUCATIONAL INSTITUTIONS

Students can transfer to another Academy by submitting an application to the Director of RUFA not later than the 30th of September 2021. If required by RUFA or the other Academy, the application may be accompanied by a document proving RUFA or the other Academy's willingness to accept the application.

Starting from the date in which the application to transfer to another Academy is made, the student's academic career at RUFA terminates unless he/she withdraws the application before sending the transfer form.

If the transfer to another Academy is accepted, RUFA will not refund any taxes, contributions, or allowances that the student has already paid.

Students transferring to another Academy can take with them the academic curriculum they attended at RUFA, indicating the passed exams and ECTS credits acquired.

TRANSFERS TO RUFA FROM OTHER INSTITUTIONS

Applications to transfer from another Institution of the same level, including from outside of Italy, must be addressed to the Director and must be received by RUFA not later than the 1st of October 2021.

The curriculum the student previously attended, indicating the exams passed and the ECTS credits acquired, must be attached to the transfer application. The student may also be required to attach the detailed programme of each subject he/she attended and the number of hours. This document is provided by the management boards of the other Institution. The Academic Board, which has the power to nominate a specific committee, shall decide on whether to recognise the studies carried out by the student at the other Institution and shall indicate:

- a) any gaps that may be identified in terms of knowledge, and if there are inconsistencies between the curricula of the other Institution and the study plans at RUFA. Any possible requirement to attend supplementary or preparatory activities in order to make up for this;
- b) any credits if there is a surplus between the curricula at the other institution and the study plans implemented by RUFA.

In any case, students applying to transfer to RUFA from other Institutions must hold the qualification required for admission to the Programs at RUFA.

SUSPENSION, TEMPORARY INTERRUPTION, AND WITHDRAWAL

Suspension of studies: provided that a formal application is made, the student can apply to suspend his/her studies for one or more years without cancelling what he/she already achieved. An application for suspension of studies can be made for the following reasons: enrolment in a foreign Academy; acceptance by another specialisation or PhD Program; childbirth; hospital treatment lasting for more than four continuous months; any other serious, documented, and demonstrable reasons. During the period of suspension, the student is not required to pay the fees and contributions and cannot take exams of any kind.

Temporary interruption of studies: students have the right to interrupt their studies. If at a later date they wish to take up their studies again they must submit an application to the Director of RUFA attaching:

- a) the academic curriculum they attended;
- b) the payment of a quota of the fees and contributions established by the Academic Board and the Administrative Council for each year during which the studies were interrupted;

- c) the payment of the fees, contributions, and charges for the academic year in which the application is made (if the student intends to interrupt his/her studies for more than three years, the Administration of RUFA may require the payment of a lump sum).

Withdrawal: the student can withdraw from the Program at any time and can later enrol and begin the same Program all over again or a different Program.

Withdrawal from the Program is irrevocable and the application must be made formally, explicitly, unconditionally, and without any restrictive clauses.

Students who have withdrawn can obtain certification of their academic career, which will formally specify that due to withdrawal the academic career is ineffective.

Any student enrolled at RUFA who decides to withdraw from the Program during the academic year must pay the full fees and contributions for that academic year and will not be entitled to reimbursement of any fees and contributions already paid.

SUBMITTING OR MODIFYING THE PERSONAL STUDY PLAN

The Personal Study Plan must be drafted during Year 1 and submitted to the Academic Secretariat not later than the 30th of November 2021. It can be varied in any of the subsequent years by the 30th of September. Requests for variations to the Personal Study Plan must be submitted on plain paper together with a copy of the previous version of the Plan. Only when the Study Plan has been formally approved students may attend the subjects indicated in it.

CREDITS AND EDUCATIONAL ACTIVITIES

According to the Presidential Decree no. 212 of the 8th of July 2005 "1 credit corresponds to 25 hours of commitment of the student". Commitment indicates the hours of attendance (during classes, theoretical and practical activities, and workshops), individual personal learning (for personal studying and preparing the exams) or in study groups (taking part in exhibitions, projects, workshops, seminars, etc.).

The educational activities are held through theory lessons and theory/practical/workshop activities, divided into basic, distinctive and related educational activities.

Each Program includes mandatory activities that are specific for each programme, but students can personalise their Personal Study Plan by choosing other related subjects from a suggested list or, through prior approval, any of the other subject offered by RUFA. Credits can also be acquired through other activities that are chosen by the student and that are certified and recognised by RUFA.

The activities freely chosen by the student can be:

- elective exams;
- participating in seminars/talks/workshops/events of the art and professional scene;
- undergoing internships and placements organised and promoted by RUFA;

- participating in competitions and/or exhibitions.

ATTENDANCE

In order to obtain credits, attendance is mandatory for at least 80% of the total number of hours. Special attendance arrangements and alternative learning support may be provided for working students, students with disabilities and specific learning disabilities, or to students with specific documented conditions for which they have been granted the status of non-attending student.
