

Cinema

Vision meets technique.

Your eyes will be behind the camera to tell stories about the world. You will learn how to write scripts, direct, shoot, post-produce and edit. Building on a solid heritage of technical and theoretical experience, you will make short films, music videos, documentaries, television products.

Starting from your passion for an ancient art, you will be ready for a thoroughly modern profession: you will enter the world of entertainment as a complete and competitive professional figure.
