

Visual and Innovation Design

Imagine and design the future.

Become a communication design professional, learning to master the areas of visual design, advertising and the complex world of multimedia communication, connecting design techniques and digital innovation.

Become a Visual Designer, the 'problem-solver' of contemporary communication, a professional figure capable of bringing together the role of the creative, the technological expert and the strategic designer, in other words the director of the entire communication platform.

Choose specialised training in traditional communication and the new frontiers of multimedia.
