

Set design

RU
FA

Creating and managing space.

You will perfect your preparation at a high level of technical and design specialisation, supported by a solid and constantly updated cycle of collaborations, work placements and internships with the most important realities of the national scenography world. You will be able to imagine the space around the three-dimensional narrative and be able to perceive and recreate depth and beauty.

The scenographer designs and creates by working with lighting, materials, textiles, architecture, carpentry, 3D modelling, furniture, upholstery, decoration and costumes, in all types of performance theatre, opera, cinema, television, concerts, staging, exhibitions.

Admission test

The admission test is designed to assess students' aptitude and motivation to undertake the RUFA education project.
Admission to RUFA is open to all graduates of the various types of high school, each with their own specific admission procedures.

How will the test take place?

A motivational interview supported by a portfolio and/or, in absence of that, your graduation thesis.

How will the committee be composed?

The committee will be composed of some of the course lecturers.
